

List of Items to be procured from MSMEs directly or through traders

GENERAL ITEMS

SL No.	Item Description
1	Bolts & Nuts
2	Brooms
3	Brushes of all types
4	Buckets of all types
5	Chappals and sandals
6	Chokes for light fitting
7	Cleaning Powder
8	Coir mattress cushions and matting
9	Crates Wooden & plastic
10	Cumblies & blankets
11	Curtains mosquito
12	Domestic Electric appliances as per BIS Specifications :-Toaster Electric, Elect. Iron, Hot Plates, Elect. Mixer, Grinders Room heaters & convectors and ovens
13	Dust Bins
14	Electric Soldering Iron
15	Fire Extinguishers (wall type)
16	Gun Metal Bushes
17	Iron (dhobi)
18	Measuring Tapes and Sticks
19	Paper conversion products, paper bags, envelops, Ice-cream cup,
20	paper cup and saucers & paper Plates
21	Plugs & Sockets electric upto 15 Amp
22	Quilts, Razais
23	Safe meat & milk
24	Safety Pins (and other similar products like paper pins, staples pins etc.)
25	Sanitary Plumbing fittings
26	Sanitary Towels
27	Soap Soft
28	Steel Almirah
29	Steel racks/shelf
30	Street light fittings
31	Taps
32	Trays (plastic)
33	Tyres & Tubes (Cycles)
34	Wire brushes and Fibre Brushes
35	Wooden Flush Door Shutters

List of Items to be procured preferably from MSMEs

DEFENCE ITEMS

1	Batteries special
2	Bear PCB (Mill grade)
3	Cutting oils / Coolants
4	Cutting Tools / Inserts
5	Deep drawing components (5 T)
6	Drop Forging Components
7	Electro magnetic coils mil
8	Electro plating of components
9	Electronic sub-assemblies
10	Fasteners special standard
11	Fibre Glass Filled Phenolic (SP 16) Moulding components
12	Flexi cables mil grade
13	Flexi rigid PCB- mil grade
14	Flow forming components
15	FRP pressurised boxes
16	Gravity Castings Aluminium
17	Heat treatment of components
18	Industrial Chemicals
19	Industrial Paints
20	Injection Moulding
21	Inspection Tools (plug /ring gauge .. Etc)
22	Investment Casting Components
23	Item Description
24	LED mil grade
25	Metallisation on plastic components
26	Painting of Components
27	Photo Diode mil grade
28	Precision Gears
29	Precision/CNC Milling Components
30	Precision/CNC Turning Components
31	Pressure Die Casting Components (Aluminium)
32	Pressure Forging Components
33	Seam Welding Components (TIG)
34	Sheet metal components
35	Spinning Components
36	Spl purpose cutting tools
37	Spl. Rubber items
38	Spot Welding Components
39	Sub-assemblies of main system
40	Super alloy steel materials
41	Tool materials
42	Wire cut EDM components
43	Wire harnessing
44	Wooden boxes
