MEDIA RELEASE

BDL CONCLUDES VIGILANCE AWARENESS WEEK 2026 WITH RENEWED COMMITMENT

Bharat Dynamics Limited (BDL), a Government of India Enterprise under the Ministry of Defence, concluded Vigilance Awareness Week 2026 with a renewed commitment to promote integrity, transparency, accountability and ethical conduct across the organisation.

The Valedictory Function was organised at BDL Kanchanbagh Unit, Hyderabad.

The function was graced by Prof. Shantha Sinha, Founder Secretary, MV Foundation, Ramon Magsaysay Awardee (2003), Padma Shri Awardee and former Chairperson of the National Commission for Protection of Child Rights (NCPCR), as the Chief Guest.

The session was chaired by Shri D.V. Srinivas Rao, Director (Technical), along with Shri G. Gayatri Prasad, Director (Finance), Smt. Spurthi Reddy, IRS, Chief Vigilance Officer, BDL and Executive Director (Unit Head – KBU). It was attended by Senior Officials, Employees, Cultural Committee Members and School Children from BPDAV, Kanchanbagh Unit, ZPHS Kanakamamidi and TSWRJC-IIT, Gowlidoddi.

Addressing the gathering, Prof. Shantha Sinha highlighted the importance of integrity, ethical values, transparency and accountability in building a just and prosperous society. She emphasised that probity should become an integral part of individual behaviour and organisational culture.

She recalled that our freedom was earned through the immense sacrifices of great freedom fighters like Mahatma Gandhi, Jawaharlal Nehru, Sardar Vallabhbhai Patel, Subhas Chandra Bose, Bhagat Singh and countless others.

When Jawaharlal Nehru took charge as the first Prime Minister of independent India, our nation had almost nothing — we did not even have the capacity to manufacture a simple pin.

Yet, with their far-sighted vision and consistent, planned efforts for the progress of India in every sphere — industry, agriculture, education, science and defence — they sowed the seeds of a self-reliant nation.

Today, we are enjoying the fruits of their sacrifice, vision and hard work. It is our duty to protect and carry forward that legacy with honesty, discipline and dedication.

The valedictory function marked the culmination of various awareness initiatives undertaken by BDL as part of its three-month Preventive Vigilance Campaign from 17 August to 16 November 2026, with the objective of promoting integrity and strengthening preventive vigilance across the organisation.

During the campaign, BDL organised several activities, including:

- Integrity pledge programmes, employee awareness sessions and training programmes on public procurement and vigilance-related matters
- Essay writing, quiz, debate, slogan writing and poster-making competitions
- Special outreach initiatives for school students, outsourced employees, vendors and the general public
- A Walkathon and Gram Sabha at Kanakamamidi village, Moinabad, to spread awareness about integrity and ethical practices at the grassroots level

BDL also organised a two-day workshop on Vigilance Administration in Defence Public Sector Undertakings, with participation from vigilance officers representing 16 Defence PSUs. Experts from various organisations shared their experiences and best practices in strengthening vigilance administration.

As part of systemic improvement initiatives, recommendations were identified in areas relating to procurement, vendor registration, financial processes and administrative transparency to promote efficiency and minimise opportunities for irregularities.

On this occasion, “Chetana – 2026,” the annual newsletter published by BDL’s Vigilance Department, was released by the Chief Guest in the presence of Shri D.V. Srinivas Rao, Director (Technical), Shri G. Gayatri Prasad, Director (Finance), Smt. Spurthi Reddy, IRS, Chief Vigilance Officer, BDL and other senior officials.

The function concluded with prize distribution to the winners of various competitions and skit performances by the BDL cultural team.

On this occasion, BDL reiterated its commitment to fostering a culture of honesty, fairness, transparency and accountability in all its activities.

The message of “Probity for Prosperity” reinforces the belief that integrity is the foundation of sustainable organisational growth and national prosperity.
